

Dear ISBA Members,

Well a new year is upon us with many changes in the ISBA! I am excited at the year ahead and seeing where it takes us as the ISBA. I want to thank you for your support as President of the ISBA!

We have many challenges ahead of this. One of my many goals this year is a membership drive. What can we do to support members, and encourage breeders to join? What are the benefits of being an ISBA Member? What's in it for you? I will be working with the board to help revive some of our programs, and bring the energy back into ISBA!

As a breed club we have a role in shaping the future of the Sable breed! We must work with ADGA to ensure the proper direction for the breed. We need to encourage breeders to show and support the ADGA performance programs.

The board is working hard to re-vamp our own programs as well. We are working on enhancing the Specialty Show program, and kick starting the All American program as well! We always need volunteers, so if you are wanting to take an active role, in the association, please let one of your Directors, or myself, know!

I am always available to answer questions, and help in any way that I am able! Email is always better, but most evenings are fine to call!

Warm Regards,

Ken
